~ Special Announcements ~

In order to improve security at the Emsworth Community Association building we have been asked to shut the exterior doors when access is not required. **These doors are self locking.** Unless access is required by other users, the entrance will be closed at 10.30am which is after the start of our Friday meeting. Please ensure that you arrive before 10.30 and that you arrange for someone to let you in again should you need to leave the building during the meeting.

In order to facilitate finalisation of the year-end accounts, we will be holding our next AGM in February instead of January as previously. (For date, see over.) There will be a speaker at the January meeting. If this arrangement is successful it will be continued in future years.

This year we will again be taking membership renewals at the October and November meetings. Remember, you membership expires at the end of December.
